"I am a confessed Kenner fan ... he takes a humorous and stylistic approach to his presentations, he strives for simplicity of method and clarity of effect, yet he is willing to do anything to increase magical impact."

- **Michael Weber**

"I have learned to appreciate Chris's two greatest qualities: a creative and pragmatic magical mind. He can take an idea and come up with its most magical application."

- **David Copperfield**

Not only is the entire original book *Totally Out of Control* reprinted for your delight, but the entire four-episode run of *Magic Man Examiner* (which is more scarce than your grandmother's old toenails) is included-adding another 80 stunning, amazing, mind-blowing pages to what is already a colossus of a book. Coin tricks, card tricks, rope tricks, and more tricks. Lots more tricks
