## Card Craft by J.K. Hartman - Buch

Features:

- Over 200 routines
- Almost 700 pages
- Hardbound
- 1,500 illustrations

*"A marvelous work that has inspired many, many card magicians. It certainly inspired me! Without this book, your card magic education is seriously incomplete. Must-have!"*

- **John Bannon**

*"Simply excellent!"*

- **Harry Lorayne**

A required addition for every magic library

The BIGGEST book on card magic ever written

The MOST illustrations ever in a card magic book

Over five years in the making, this 670-page oversize hardcover contains over 200 dazzling routines by the master of card trickery, J.K. Hartman. These miracles, none of which require difficult sleight of hand, are clearly taught with over 1,500 illustrations by Joseph K. Schmidt.
