
Gift Toy by Marcos Cruz (Action Figure)

Gift Toy is a creation of Marcos Cruz, you can present a gift box, remove the top cover and take out unusual objects from inside, the birthday boy is waiting for a toy, you show the inside of the box which is empty, place your hand inside the box and push the bottom lid showing that there is nothing inside. With a magic pass, the gift box automatically transforms into a toy box.

You can purchase it in two presentations for boys and girls.

This is great for starting the show and breaking the ice at a birthday party.
