
Candyman by Tobias Dostal -Trick

Candy instantly appears out of nowhere - in the spectator's own hand!

The Sweetest Miracle

AN EXPERIENCE FOR ALL OF THE SENSES!

Imagine this. You take some candy, and make them all vanish in the fairest way possible. Then, your spectator feels them reappearing in their own hand. No, really - they can actually feel the candy materialize - one by one - in their open palm.

Magic They Can Feel

AN UNFORGETTABLE MOMENT

The magic is not only seen, but felt by your audience. Very rarely does your audience get to physically feel the moment the magic happens. Everything you need to start performing is included inside, along with additional materials and a carrying pouch designed to keep your gimmick safe with you at all times.
