
Smoke & Mirrors Anniversary Edition: Green by Dan & Dave - Pokerdeck

And then there was green, the third colorway in the original series of five.

Working with longtime friend and collaborator Brad Fulton, this new fifteenth-anniversary edition in green takes inspiration from 19th-century typography - a homage to the original Smoke & Mirrors design with intricate details for a sophisticated look.

The cards feature our trademark D&D monogram in a new typeset surrounded by a mosaic pattern on the backs, along with a custom Ace of Spades, Joker, and suits for the number cards. Printed by the U.S. Playing Cards Co. on our trademark thin stock using classic Arrco-style court cards.
