## **Refill for Minibook Pro by Noel Qualter and Roddy McGhie**

People are calling MiniBook Pro the "trick of the year" and now you can get refills! The magical reveal of MiniBook Pro is stunning and you'll want to give the spectators the signed card as an incredible souvenir that cements the magical moment.

You will receive 56 custom printed gaffs to allow you to carry on blowing minds with MiniBook Pro. No instructions or additional props included.
