# Wheel of the Year Lughnasadh by Jocu - Pokerdeck

**Lughnasadh - The Wheel of the Year Playing Cards series.**

Lughnasadh (pronounced 'LOO-nuh-suhd') was a festival of particular importance to the Celts but overwhelmingly for those in Ireland where it effectively celebrates the founding of the country, and it is still celebrated in many forms today.

It takes place around the time of the grain harvest, grain being a staple food for the Celtic people, and therefore coincides with the height of summer.
