
LCC (Black) by N2G

Prepare to disappear three coins in an unprecedented way! This is the **LCC** launched by N2G.

You hold four different coins in your hand, they are two silver Morgan coins, one copper coin, and one ancient coin. You close your palm and then open it again, 'There's only a silver Morgan coin left in your hand.'. The other three coins just disappeared like real magic!

The missing three coins can appear anywhere you want, in your pocket, in the audience's pocket, under the audience's watch, in your wallet.

This exquisite prop allows you to perform shocking coin magic without any tricks!

The props include exquisite coins and a special accessory.

Get ready to perform clean to the extreme coin magic with **LCC**!

NOTE: The sound device "NS" is not included in the products
