
CASH RUBIK by Tora Magic

Produced and designed by Tora Magic Company

Rubik's Cube is an intensely eye catching and powerful visual effect that has just been introduced by Tora Magic.

Perhaps the Rubik's Cube looks like a video effect, However it's not, and you can perform it live and shock people.

Show the audience a bill and magically turn it into a Rubik's Cube.

It is really impossible to turn money into Rubiks in the blink of an eye.

This product is easy to do and suitable for street performances, close-ups, even performances for virtual spaces, etc.
