## **Lucky Ladybug by Joshua Ray & Deuce Gala Magic**

Praise, applause, and plenty of awes - **Lucky Ladybug** isn't merely a trick; it's a transformative tool that elevates your spectator into a star!

Based on a classic of magic, **Lucky Ladybug** turns what used to be a moment of shock into charm and delight.

You start by showing three logs "from your garden" to reveal that there are three lucky ladybugs on the back. Then, while in the spectator's hand, one of the ladybugs mysteriously 'flies away'. What happens next is literally an ON the hand miracle. Your spectator waves their hand above the logs, and to their delight, the ladybug has magically returned!

Whether a family, corporate, or cocktail event, this enchanting effect combines adoration with amazement, leaving your audience with shared wonder and a cherished memento of the magical moment you helped to create.
