Early Summer Trip Playing Card Boxset

The early summer trip is made up of clips of four cute little animal companions traveling in China. They passed through many cities such as Beijing and Shanghai, and left fragments of their memories at their brother's attractions. Let's witness it together through deck!

We print with MPC's German paper. This boxset has the standard deck and a gilded deck. Gilded deck print 520 decks and they have a number seal (only in iron gift box).
