
Gogum & Friends Playing Card Boxset

Mr. Gogum has posted a series of daily comics on Instagram called "Mr. Gogum", which is about Gogum's daily life with his friends. Among them are the leggy Fish Kang, the 180cm-tall Rabbit Hee, and the cynical Bear Doli. They're a bunch of cute, real, and attractive fellows.

Meet the story for a committed life with Mr. Gogum and Friends playing cards. These cute furries cope with life, how to break the fence holding them down, and live with wonderful fragments.
