- Ministry of truth
- Reverse book test
- Tossed out book

1984 is the only book test where your spectators will thank you for gaslighting them!

Super Flashback:
This is the core method featured in all of the Zandman Book Test titles:
Instantly know the word someone is thinking of without ever even seeing their word! Nothing to memorize, No questions asked, and Nothing is written down.

Ministry of Love:
A built-in version of the classic Pegasus Page that happens in your spectator's hands from beginning to end!

Ministry of Truth:
The Princess Card trick, but with a book. A freely chosen word disappears.
It was never there to begin with. And it all happens in your spectator's hands!

Reverse Book Test:
A spectator stops you on ANY page in ANY book and you will know a word on the same page in 1984!

Tossed Out Book:
The classic Tossed Out Deck, but with a book. Five spectators each choose a word and you know their words!
