
BREAK AWAY POTTER WAND by Aramiz

The Break Away Potter Wand is based on the classic magic wand that breaks in the hands of the spectator, but improved and with the shape according to the magic wands that people currently identify thanks to the cinema of the latest wizarding movies.

- Undetectable cutted edge.
- High quality.
- Very easy to do (no skill required).
- A great magical gag that will ensure the laughter of children.
- The wand measures 13 inches when together.
