
Deluxe Lacquer Collector's Box Set - Pokerdeck

This is a limited edition collection box of only 300 sets. The pure white lacquer box is covered with gold ink featuring Lee. K's illustrations. At first glance, The craftsmanship of the lacquer exudes a sense of luxury, making it a true work of art.

Inside the box are a collection certificate and two playing cards that are exclusively available in this collection. The new card back and box design, with its limited number of stickers, further enhances its collection value.

These cards and the box itself feature gold foil and gold edges, making them collector items of the highest level. With Lee. K's top-level artwork and the highest level of craftsmanship, this set is dedicated to collectors with the ultimate pursuit.
