
Self-Working Wonders by Chris Wardle - Buch

'Self-Working Wonders' by Chris Wardle

- This is a collection of 25 new, baffling and easy to perform effects!
- Includes a full color gimmick on the back cover to cut out and use straight away!
- A4 sized, paperback, with 62 pages of effects, plus contents page, introduction, author's notes and a foreword by The Linking Ring columnist, Michael Breggar.
- Printed on high-quality paper with over 30 photographs/images/graphics.
- Includes tricks with cards, coins, mentalism, investigations with the Gilbreath principle, cut and restored illusions, a triple variation on Any Card at Any Number and a simple, low-numbers magic square.
- By award-winning member of The Inner Magic Circle, Chris Wardle, the author of 'Quirky Forces'.

From the foreword by Michael Breggar:
