## **CARSON'S DRINK by Juan Pablo**

Imagine being in a bar and someone is having a drink and you magically make that glass float in a very elegant and magical way in front of all the spectators!

You will be able to perform a very powerful and visual routine and at the end the spectators will be able to review everything!

**Carson's Drink** is very easy to do, it resets instantly and you only need to carry a small gimmick in your pocket and you will be ready to do it any time you want.
