
Orbit Tally Ho Circle Back (Black) - Pokerdeck

The third and final Orbit X Tally-Ho collab deck. We decided to end the collab as a trilogy. Red, Blue, and Black.

This final Tally-O is the most rare with a print run of 3,000. We chose black for the final color because it goes with everything and is the most dominant color for a back design.

Once they're gone, we'll never reprint again.
