## **ONE MORE BOX BLUE by Gustavo Raley**

Gustavo Raley Presents **One More Box**.

A routine by Jorge Luques

We present to you an incredibly captivating routine from Jorge Luques, ideal for your parlor and close-up shows, produced by Gustavo Raley. In this routine, a freely chosen card is selected by a spectator and then signed. Miraculously, the signed card will appear inside a small box, even after it has been removed from among five different boxes.

Moreover, this set comes in two versions, each utilizing the Bicycle card box design in both blue and red. The entire set has been crafted to the highest standards of quality.
