
Carat XBC V2 Single Deck Case

Introducing the newly re-designed **Carat XBC v2 Single Deck Case** made to accommodate the larger, more luxurious tuck boxes by Card Mafia for their Avenger series, including the recently released Dr. Strange and Black Panther decks.

The **Carat XBC v2 Single Deck Case** is made of clear 3mm and 5mm archival quality acrylic to allow for unobstructed views of your favorite deck from all sides while safely protecting it from potential damage or harm.

The exterior dimensions of the case is still the same as the original Carat XBC (11.5cm x 9.0cm x 4.2cm), but the short sides of the case have been replaced by 3mm acrylic plates, effectively adding an additional 4mm height to the internal dimensions (from 10.5cm to 10.9cm).

As with all Carat Cases, the edges are beveled and the corners are rounded for a more elegant look and feel.

The case lid is attached by 4 neodymium magnet pairs, which are 10 times stronger than regular magnets, for a secure attachment while still allowing for easy access to the deck inside.

A 3mm insert with dimensions 8.0cm x 3.2cm is provided to fill in space if it is felt that there is a little extra room in the case. Also included are 4 rubber pads with adhesive that can be attached to the bottom of the case to prevent scratching of the case or the surface it is on.
