## **Close Up Matte - Sewn-Edge Basic Close-Up Pad (Black) by TCC Presents**

**A lightweight and portable Close-Up Pad that is built to last a lifetime.  
Available in four colors.**

The standard 3-layer structural design consists of a classic configuration of rubber, sponge, and velvet fabric.

The stitched edge design adds refinement and visual appeal to keep your audience engaged and focused during your performances.

In addition to being lightweight and portable, this Close-Up Pad is versatile enough for indoor and outdoor performances, making it suitable for any occasion.

Choose from four color options: black, red, blue, and green. There is always a preferred choice for you.

With its durable black stitching and edging, this close-up pad is designed to withstand the test of time, preventing fraying or separation over time. You can rely on its longevity for countless performances.
