
Prestige (Red) - Pokerdeck

A triumph of elegance and refinement, printed by the USPCC & distributed by GW.

GAMBLER'S WAREHOUSE is proud to present **PRESTIGE**, a deck of playing cards that embodies sheer sophistication and exquisite craftsmanship. Created with meticulous attention to detail and an unwavering commitment to quality, this collection offers three distinct editions: BLACK, WHITE, and RED. With each deck **limited to only 1000 copies**, the **PRESTIGE** playing cards are set to become a coveted treasure for collectors and enthusiasts alike.

Embracing the timeless allure of traditional playing cards, **PRESTIGE** is printed on premium-quality paper by the renowned **United States Playing Card Company (USPCC)**. This classic choice ensures durability and a smooth handling experience, allowing you to indulge in countless hours of seamless gameplay. The production of these exceptional decks is entrusted to **Gambler's Warehouse**, a highly experienced creator and producer of playing cards, known for their expertise and dedication to the craft.

Prepare to be captivated by the opulent allure of the **PRESTIGE tuck cases**. Meticulously designed, they combine exquisite **embossing** and metallic **foiling** on soft touch stock to create a truly sublime aesthetic. The interplay of raised patterns and shimmering accents elevates the deck to new heights of elegance, making it a true masterpiece of artistry.

The card backs of the **PRESTIGE** decks are adorned with mesmerizing **metallic inks**, adding a touch of brilliance to every shuffle and flourish. The interplay of light and shadow accentuates the intricate details, casting a spellbinding aura over each card.

Within the deck, you will discover custom-designed face cards that exude an air of sophistication and refinement. Adorned with ornate patterns and delicate embellishments, these cards pay homage to the rich heritage of playing card design while embracing a modern sensibility. The court cards, in particular, command attention with their regal presence, showcasing enchanting illustrations that capture the essence of elegance.

The aces of **PRESTIGE** are truly captivating, showcasing unparalleled elegance

and intricate details. These oversized aces are designed in an ancient engraved style that exudes a sense of nobility and sophistication. Each one is a masterpiece in its own right, featuring meticulously crafted motifs that highlight the deck's exquisite refinement. Unfolding these aces reveals a world of timeless beauty, paying homage to the tradition of playing cards and enveloping the player in an unparalleled aura of prestige.

Each edition of **PRESTIGE** - BLACK, WHITE, and RED - possesses its own unique charm and character. The BLACK edition emanates an air of mystery and allure, while the WHITE edition embodies purity and grace. The RED edition ignites passion and intensity, inviting you to experience the thrill of the game with a fiery spirit.

Limited to a mere 1000 decks per color, **PRESTIGE** ensures exclusivity and rarity. By pledging your support, you not only secure your own piece of art but also contribute to the realization of this extraordinary deck.

Immerse yourself in the world of opulence and enchantment with **PRESTIGE** playing cards. Indulge your senses, captivate your opponents, and elevate your gaming experience to unprecedented heights. With its exquisite design and meticulous craftsmanship, **PRESTIGE** is more than just a deck of cards - it is a testament to the pursuit of perfection.

Join us on this remarkable journey and help us bring **PRESTIGE** to life.
