## Olive and Sinclair - Pokerdeck

A delectable deck of cards that looks so tasty, you may be tempted to take a bite out of them.

Want to sweeten up your card magic or game night? Grab a deck of "Olive and Sinclair Playing Cards", a special collaboration between Vanishing Inc. and Olive and Sinclair-one of America's most renowned artisanal chocolatiers.

The Nashville-based chocolate makers are known for seamlessly blending classic chocolate-making techniques with more contemporary methods to create sophisticated versions of old-fashioned chocolate. This decadence spills over into every aspect of these incredible playing cards.

Inspired by vintage chocolate bars, the elegant back design is washed in a gorgeous muted color scheme and the custom Ace of Spades looks as if it was plucked straight from a main street chocolate shop storefront. Printed by Cartamundi on their flexible and thin premium SlimLine stock by Cartamundi, these cards are as smooth and sleek as they are stylish.

"Olive and Sinclair Playing Cards" are a chocolate lover's delight. They are perfect for magicians, collectors, and poker players alike. Get yours today!
