## Venom Cube by Henry Harrius

This might be the CLEANEST and MOST DIRECT matching effect you have ever seen. In the past years, Henry has brought us revolutionary gimmicks on every aspect in cube magic. Now he has finally decided to release his most guarded secret in the matching effect: **THE VENOM CUBE**.

Reviews by Wizard Magic Review, Magic orthodoxy & Real Magic Review

*"The method is just as DEVIOUS as the trick itself! Henry is a genius!"*

- **Shin Lim**

*"The next step in cube matching effects. It's clean, bearishly and super simple. I will be buying this and I will be adding it to parts of my show."*

- **Steven Brundage**

*"It is a MAJOR STEP FORWARD In cube matching effects. All you need is the skill to not laugh while you are doing it."*

- **Garrett Thomas**

*"I love Henry's work every time. I feel his passion on the cube matching plot. Prepare to be surprised again by his elaborate gimmick."*

- **Usui Takamiz**

*"Venom Cube strikes fast and strikes hard! It's the MOST OPEN and DIRECT version of the Sympathetic Cube available. A spectator mixes a cube and it is immediately shown to match yours exactly!"*

- **Karl Hein**
