## Wild Garden - Pokerdeck

**Wild Garden** is a botanically themed deck with a sophisticated design. Produced by Rcards, the deck aims to capture the untameable, persistent and timeless bloom of the natural world.

Features:

- Botanic backs with a broken border
- 52 cards, 2 jokers and 2 gaff cards
- Handmade matte tuck featuring inside print
- Custom standardised courts
- Recoloured faces with tones borrowed from back design
- Printed by Hanson Chien on their premium vintage stock & legendary finish

A matte black tuck with minimalist exterior and back design. Inside features a fully printed intricate garden by artist, Anjali Singh.

**Wild Garden's** back design is vibrant and full of life. Using natural tones and an organic palette, the design features the deck's signature butterfly nestled within the greenery.

The standard faces have been recoloured and customised with a variety of small additions.
