The DTC Cards by Luca Volpe, Alan Wong and Paul McCaig

The Drawing Test Cards - Probably the easiest to learn memorized stack EVER! These 10 simple designs and images which look as if they have been hastily hand drawn, are actually professionally screen printed onto top quality, flexible, plastic cardstock and subconsciously prove to the spectator that the cards are unmarked and completely opaque.

Long lasting, easy to clean, business card size, stored in a plastic sleeve. Complete with download video where Luca explains his "Double Drawing Duplication" - a fantastic routine that packs flat and plays big! Plus handling tips and extra idea on how to use this powerful tool! Included also a pdf of the symbolic meanings of the DTC images.
