
The Hi-Jak Wallet by Secret Tannery

The Jaks peek has been a firm favorite among mentalist for many decades.

The problem I had with Jaks wallets was, they were great for peeks, but didn't feel like a real every day wallet, that is, until now!

For the first time ever, you can now get a Jaks peek with a currency compartment.

This small slim wallet will enable you to carry many cards please large bill/notes with its generous currency holder. Crafted from a stunning navy and tan soft nappa leather combo, the wallet gives a minimal and trendy vibe.

Having the **Hi-Jak Wallet** as your everyday carry is a smart choice, knowing your always on the ready to perform mind blowing mentalism!

Perform in style!
