
AiR SnowStorm with Winch and Confetti by Victor Voitko

Need a final for your performance?
Are you performing a confetti storm?
Looking something for a magical atmosphere?
Event for children right at your home?

You will need our **AiR SnowStorm** device.

This compact device works on a three batteries.

It has the remote control.

Put confetti inside the device and fix it on top of the stage or direct on the chandelier at home.

You just need to press a button on the remote control to get started.

Magical atmosphere guaranteed.

Before each performance, you need to add confetti.

If you have several concerts on the same stage and you don't want to use the stairs every time, so you will need a mini Winch. (mini Winch sold separately)

Attach the winch to the top of the stage first. Attach our **AiR SnowStorm** device to it.

Now you move up and down of the device with the remote.

This little device will make your performance unforgettable!
