
The Keys of Solomon: Silver Spirituum by Riffle Shuffle - Pokerdeck

The darkside has called upon me once again. With our previous Deal with the Devil - UV Playing Cards and the burning hells of Inferno Playing Cards, we have moved on to a new realm of Darkside. Under the influence of King Solomon, we have discovered a new method to conjure the devil, allow us to present - **The Keys of Solomon Playing Cards.**

Features:

- Presented in 2 wicked editions - Golden Grimoire & Silver Spirituum
- Side of the tuck box mimics the edge of the mystical book - The Keys of Solomon
- Gold/silver hot foil stamp on the pure black premium 300gsm matte finish tuck case.
- Inner tuck case infused with "The Great Pentacle" in gold/silver foiled lines.
- Limited to 1850 decks each with custom foiled number seal.
- Cards printed by Taiwan Playing Card Company with their luxury paper stock.
