## **Alfred Hitchcock's Vertigo by Art of Play - Pokerdeck**

These officially licensed Vertigo Playing Cards are sure to leave your head spinning.

The completely custom design (from the pips to the courts-these cards) celebrates the iconic film by one of the greatest film directors of all time. Each court card is designed as a title card to pay tribute to the great Saul Bass, who created the iconic "Vertigo Spiral" and the gripping title sequence.

If you appreciate cinema, graphic design - OR BOTH - this is the deck for you.

Designed by Brad Fulton in collaboration with Dan & Dave Buck. Officially licensed product of Alfred Hitchcock.
