FEATURES

- Star Wars Book Test
- Millennium Flashback
- Tossed Out Wookiee
- Jedi Page

Based on the classic War of the Worlds, "The Jedi Book Test" is packed with features! But the best part is that it works with the real paperback Star Wars books!

Star Wars Book Test:

Instantly know multiple words on every page in A New Hope, The Empire Strikes Back, and Return of the Jedi. The real paperback books (sold separately).

Millennium Flashback:

This is the core method featured in all of the Zandman Book Test titles: Instantly know the word someone is thinking of without ever even seeing their word! Nothing to memorize, No questions asked, and Nothing is written down.

Tossed Out Wookiee:

The classic Tossed Out Deck, but with a book. Five spectators each choose a word and you instantly know their words!

Jedi Page:

A built-in version of the classic Pegasus Page that happens in your spectator's hands from beginning to end!
