One card is mentally selected

When shown again, their card has **TURNUED OVER**

Ask them to imagine that their card never existed

When their card is turned over, it is now completely **BLANK!**

And for the finale...

All of the cards are now **BLANK...** on both sides!

Yeah, it really is that good!

- Easy to do
- No sticky stuff
- No rough & smooth
- No extra cards
- Perfect for walk-around
