## **PLAYING COINS by Gustavo Raley**

Are you ready to draw your imagination?

A brand new idea from the mind of Gustavo Raley and sold out at Blackpool Magic Convention 2023.

Chocolate coins will appear in different ways.

**Playing Coins** is an innovator device to appear chocolate coins and besides perform the classic coin penetration in your Kids shows.

You can hide up to six coins, regular, chocolate or even Poker chips.

The set included a video tutorial where you will learn all the possibilities of the awesome gimmick, and besides two plastic coins to rehearse the handling.

Leave a sweet memory in your audience with **Playing Coins**.
