## Passage BLUE by Anthony Vasquez

Hello, my name is Anthony Vasquez, and I am proud to present my new creation **Passage**. **Passage** is an easy to use and assemble gimmick system that is examinable and has endless possibilities. Spectators can examine it afterwards and it is ideal for social networking. This effect can be combined in routines to create an amazing moment of impossibility. Prepare to amaze with **Passage**.

- Perfect for social media magic.
- Very visual and easy to do.
- Examinable y portable.
