
RBG Half Dollar Size by N2G

This will be the RPG in your coin routine - **RBG** produced by n2g

Based on the classic coin prop CSB, it has a cleanliness and strength far beyond the classic.

The product includes three ancient Chinese coins in black, red and green, and an extremely exquisite coin gimmick. It allows you to achieve perfect continuous color change, production of coins without redundant actions, and incredible three fly.

The instruction includes 8 routines. If you think this is enough, when you get this product, you will be stunned by its infinite possibilities

Get ready to "blow your audience's minds" with **RBG!**

Note: half dollar size version.
