
Curiously Enough by Chris Congreave - Buch

From the creative mind of Chris Congreave:

Curiously Enough

Liar - a totally commercial lie detector routine. Give the lie detector a killer finish.

Every day carry cards - a routine to have in your wallet and perform anywhere.

Stop - an easy and totally fooling card at any number routine, with a surprise ending. 50/50 - a great, easy to perform opening routine.

Coin prediction 2.0 - a self contained mentalism routine using coins.

Coin prediction 2.5 - another self contained mentalism routine using coins... ok it's the same routine but a different ending

Visible prediction - predict anything on the back of a playing card!

Kickback card to wallet - a great addition to a card to wallet routine

Holey prediction - totally commercial way of handing out your business card

Futurama - a card prediction routine that is easy to perform and an absolute reputation maker

Pocket matrix - a new take on the Jim Steinmeyer classic

Matrix Poker

Any named card again - Gary Jones has wor1
