CSTC Jumbo Version 1 by Bond Lee, N2G and Johnny Wong

The new version of our CSTC, here we introduce you the **Jumbo Super Triple Coin**, **JCSTC**.

Now you can perform super triple coin effects with a jumbo Chinese coin.

You grab three ancient Chinese coins from the air and then let them disappear into the air one by one.

Between the appearance and disappearance of each of the two coins, you can show both sides of the coin and let the audience see that there are absolutely no extra coins in your hands.

Yes! No shell! And you don't need to hide multiple coins in your hands!

Everything is clean, like real magic.

Coin size: 70mm diameter, 4mm thickness
