### **The Magic Coloring Book DELUXE SET!**

**This Beautiful Set Includes all of the necessary tools to turn the Magic Show Coloring Book into An Entertaining Routine for every audience!**

A coloring book is shown to have all blank pages.

You ask the children to imagine images of "MAGIC"! Just then, the magician (that's you) Turns through the once empty pages to find they are filled with drawings of magical images! Next, you ask one of the kids from the audience to come up and help with the trick! You display a new pack of crayons to help color in the pages. But having the Child color in each page one by one would simply take too long. NOW IT'S TIME FOR THE MAGIC TO HAPPEN! You hand your new assistant a magic wand and ask for their help in transferring some of the colors of the crayons to the pages. When the Child points the wand toward the crayons, they ALL VANISH FROM THE BOX! Oh No!!!
