
Cardiographic LITE Five of Diamonds by Martin Lewis

Cardiographic LITE packs all the power of its famous parent. Featured in David Coppefield's touring show, this is the trick that recently earned Jon Dorenbos a golden buzzer on A.G.T.

Do you want to include this classic effect in your show but it is either too expensive, or drawing is just not your strong suit? Take a look at Cardiographic Lite - things have changed!

- No drawing skills required
- 15-second reset
- Letter size easily fits a briefcase or backpack
- Includes thirty souvenir sheets

While this is an economy version we have not skimped in the construction: Lite sports a heavyweight backboard, a tough washable rising page, and an oversize spiral for easy operation.

"I LOVE LOVE LOVE the new version. Best thing I've seen in YEARS!!!! I get hundreds of items to review and VERY few make it into my act - this one went straight in!!!!"
