
SUPER GAG BALLOON PUMP by Mago Flash -Trick

Super Gag is a balloon inflator that normally works in the magician's hand, but when used by a spectator to want to blow up a balloon, the inflator breaks into 3 different parts.

First at the base, then at the tip and finally the center of the inflator. It is a very fun game for comic magic, children's magic, balloon magic, street magic, and even serves to make a letter travel. The laughter of the public is assured.
