
Truett 38 Special by Kings Wild Project - Pokerdeck

The **Truett 38 Special** luxury playing card deck is inspired by the vintage ammo boxes that were included with the pistol handed down to Jackson from his grandfather George Truett. Jackson's Grandfather served in WW2, and will always be remembered for his kindness, gentleness and love for his family and God.

The Standard edition of the **Truett 38 Special**, features rich, bold colors, resembling the original ammo boxes accompanying the gun handed down to Jackson by his grandfather George Truett.

Printed by the United States Playing card company, this deck is both beautiful and represents the highest quality of luxury playing cards.

With this deck, Jackson was drawn to the bold, rich colors, of the vintage ammo box package designs. These bold colors are translated across the tuck case along with the vibrant coloring of the court cards. The Ace of Spades features the Kings Wild motto: "Aim Small, Shoot Straight". The diptych joker is a recreation of the shooting manual that was included with the pistol instructions.
