## **YU HO JIN 8 by Yu Ho Jin**

YU HO JIN Magician's Manipulation Card has been upgraded to **YU HO JIN 8** in 8 years.

**YU HO JIN 8** is a product that YU HO JIN Magician released by accepting what he felt while doing Manipulation and what many people thought.

Features:

1. Waterproof
2. Increase durability
3. Elasticity increased by 30% compared to the previous version
4. Semi-permanent card case
5. Black art design changed

### **1. Waterproof**

All cards are 'waterproof' to maintain the elasticity of the manipulation card without being affected by wet weather.

### **2. Increase durability**

Unlike traditional manipulation cards, this card can be used semi-permanently due to the increased durability of the card.

### **3. Elasticity increased by 30% compared to the previous version of 'YU HO JIN Card'**

With increased elasticity compared to the previous ver. 'YU HO JIN Card', you can perform a competent production.

### **4. Semi-permanent card case**

It consists of a dust bag case, unlike the commonly box-shaped cases. This case can also be used semi-permanently.

### **5. Black art design changed**

The back side of the card has been changed to beige, so you can perform various styles that you want.

**YU HO JIN 8** is thought to be the result of YU Ho JIN's Illusionist Tour and World Global Tour.
