
Three Cards Monte Stand BLUE by Jeki Yoo

I'm excited to introduce my newest magic item: **3 Cards Monte Stand!** (Oh My!)

It's one of my most viral magic effects on social media and now you can do it too!

This is my take on the classic 3 card monte effect, popularized by Michael Skinner.

I've added simple and deceptive card stands that will allow you to perform this beautiful routine with zero sleights!

Utilizing the Monte stand adds a clean display allowing you to fully show the front and the back of the cards throughout the routine, accentuating each phase for maximum impact!

3 Cards Monte Stand has been a great success on social media and in my working repertoire and I just know your audience will love it too!

It comes ready to go out of the box with everything needed to start performing right away!

- Zero sleights
- Great for live show
