
MINI CHINESE COIN BLUE by N2G

Attention: This product is one mini Chinese coin only, you need to prepare the csc and silent assistant by yourself.

One mini Chinese coin, diameter is 14mm

Are you ready to make the coin shrink or explode in a flash in your coin magic?

N2G mini Chinese coins are exquisite ancient Chinese coins, but their size is extremely small.

During the performance, you can instantly reduce a coin into a mini coin, or split a coin into many mini coins.

Using mini coins at the end of your coin magic can achieve unexpected visual effects.

Add unexpected surprise to your coin magic. Buy N2G mini Chinese coins now!
