
N9 BLACK by N2G

Welcome to **N9**.

A visual and practical coin changing effect.

An ancient Chinese coin is carefully examined by the audience. You even use a small stick to pass through the symbolic hole of the ancient coin.

In an instant, the Chinese coin became a Morgan dollar!

Morgan dollar allows the audience to check at will.

Most importantly, the ingenious design and structure of this prop allows you to replace the background paper, so you can create miracles on various colored backgrounds

After getting exquisite props and watching video teaching, you can't wait to perform this effect. Because it is easy to perform, reset immediately.

N9 is undoubtedly a magic prop born for actual performances. Don't miss it!
