
RESCUE MISSION by Matthew Wright

Are you looking to connect with your audience on a deeper more emotional level?

Are you looking for an effect that can hit hard and make your audience emotional enough to cry?

Rescue Mission is a routine for stage and parlor that allows the audience to connect to a trick on an emotional level very few other effects can do.

Based around animal rescue, **Rescue Mission** is a routine straight from Matthew Wrights working stage show and has been honed over hundreds of real world performances.

Routine comes with special printed A5 postcards, A3 prediction print, full royalty free video, plus digital downloads of all images for you to print larger scale predictions if required.

Full routine is described in detail via download plus extra bonus material is discussed if you wanted to turn this into a signature piece
