
Euchre V4 by Midnight Cards - Pokerdeck

EUCHRE V4 PLAYING CARDS is popular in many parts of the world, especially the American Midwest, Euchre is a trick-taking card game most commonly played with four people - two teams of two.

The **EUCHRE V4** deck includes two full Euchre decks inside one tuck box (purple and grey). It's printed by Legends Playing Card Co., with their China printer, and utilizes their exceptional classic finish. The back cards feature an elaborate and ornate baroque design. Each purple and grey set of face cards includes the full suits of nines, tens, Jacks, Queens, Kings and Aces (2-8 and Jokers are not needed in most Euchre games). The semi-custom Courts incorporate the same elements from the back cards, in a gold colored backdrop setting. They are extremely functional and provide the highest level of playability.

Also included are two rules cards and four custom score cards. You just need a dime as your points marker. No need for boring fives as makeshift score cards in the **EUCHRE V4** deck!

The tuck box features an elegant and intricate design that's printed in 4-color process.

The **EUCHRE V4** deck is perfect for your next Euchre night or tournament!
