## Fantastica - Pokerdeck

*"**Fantastica** is my tribute to the circus, that magical place where I discovered and fell in love with the art of magic. It's the place where I learned to love the audience, to act with respect and dedication to bring a smile in the audience faces, especially in kids, and leave them with a sense of wonder.*

*There is no words that can describe what the circus and magic means to me, but I can tell you this, this wonderful arts have made my life fantastic and now I want you to share that passion with me with this beautiful and limited edition playing cards, designed by Daniel Schneider, a dear friend that shares with me the principle of respecting your craft and deliver excellence.*

*Welcome to my magical life, welcome to **Fantastica**."*
