
EDGE BLUE by Rizki Nanda

From creator of Super Sucker, Rizki Nanda comes a visual solid thru solid effect using a signed playing card called **EDGE**.

Imagine your spectator choose any playing card then they sign the card.

And magically you pass it through card box & the entire of 52 playing cards inside!

At the end you can let your spectator to examine everything.

EDGE is perfect for your opener & easy to do!

It feels like real magic and you will even fool yourself.

All gimmicks and online instructions are included.
