
Derek McKee's Box of Magic

Magic Box provides a new and exciting way for anyone to learn the art of magic. Included in each **Magic Box** is a curated collection of fun and easy-to-perform tricks that will satisfy the most curious budding magician.

Also included in **Magic Box** is a complimentary private membership to our online studio which teaches tricks to help the student grow, practice and master the art of magic. By providing practical tools and engaging resources, **Magic Box** can also help students of magic develop a wider range of skills that add unexpected magic to their lives.

- Build confidence through presenting and connecting with an audience
- Solve problems through critical thinking and creativity
- Stay prepared through planning and self-discipline
- Build fine motor skills through deliberate practice

Easy to learn and fun to perform, there's a whole world of magic waiting to be explored.
